ASTRALPOOL · Filtration Equipment

Flat Body Multiport Valve

AstralPool Flat is a 6-way side-mount multiport valve with a flat body that brings all connections onto a single level, with 1½" BSP connections (code 34543). It reduces installation height in tight plant rooms and compact filter groups; it has an ABS body, a screw-closed cover and a 3.5 bar maximum working pressure.

- All connections on one level, low installation height
- 6 functions on one handle
- 1½" BSP connection
- 3.5 bar max. working pressure
- Filter connection couplings included

General Specifications

Valve type	Manual, 6-way, side mount, flat body
Positions	Filtration, backwash, rinse, recirculation, waste, closed
Connection size	1½" female BSP
Max. working pressure	3.5 bar
Material	ABS body · PPO distributor · EPDM gaskets
Cover	Screw-closed
Suitable filters	Residential filters up to ≈ Ø550 mm
Configuration	P3, connection couplings included

Order Codes

Order code	Description	Certification
34543	Flat · 1½" BSP · side mount · with filter connection couplings
